TERMS OF GLOBAL MEDEVAC OUT OF AREA PROTECTION PLAN

- 1. Residence and Traveling.** In the event Member, as identified on the Membership Application for the Out of Area Protection Plan, is traveling anywhere in the world and the death of Member occurs, outside of the Service Area, as defined in this Section, Global Medevac will provide Services, as defined in Section 3, at no additional cost to Member. "Service Area" is defined as the seventy-five (75) mile radius from Member's Current Residence or Original Residence, as listed in the Membership Application. "Current Residence" means the address, located within the continental United States, at which Member most recently resided for at least one hundred and eighty (180) consecutive days preceding the Member's date of death. "Original Address" means the address listed on Membership Application at the time of purchase, or the address provided for in the Change of Residence, subject to Section 12. Global Medevac may require verification of the Current Residence through voter registration, valid driver's license, and/or other means reasonably necessary to determine such residency.
- 2. Relocation.** Upon receiving notification of the death of Member, Global Medevac shall first use the Service Area limitations associated with the Current Residence to determine if its obligation to render Services is triggered. In the event the Current Residence differs from the Original Residence, and the death of the Member occurs outside of the Service Area of the Original Residence, Global Medevac shall, upon request, provide Services, as set forth in Section 3 below, to be performed at the Original Residence in lieu of the Current Residence, at no additional cost to Member.
- 3. Services.** For the purposes of the Out of Area Protection Plan, "Services" shall include: (a) arranging for the transportation of Member's body from the site of death to a licensed holding facility or licensed crematory; (b) obtaining all necessary permits and death certificate; (c) providing an urn or shipping container suitable for transportation; (d) paying all costs associated with embalming and/or cremation, if necessary, to expedite Services for the benefit of the Member and obtaining all necessary permits; and (e) returning remains in accordance with the arrangements between Member and Member's selected funeral home. No services shall be performed without the prior approval of Global Medevac.
- 4. Claims.** No claim for the reimbursement of any services rendered without the prior approval of Global Medevac will be accepted.
- 5. First Contact.** Global Medevac must be contacted first in order for Member to receive the benefits stated herein and, in any event, before funeral services are performed.
- 6. Cancellation.** For a paid-in-full Out of Area Protection Plan (when the entire membership fee is provided at the time of purchase), Member may cancel within thirty (30) calendar days and receive a full refund of all paid fees. No refund of fees paid is available after thirty (30) calendar days for a paid-in-full Out of Area Protection Plan. For a multiple-payment Out of Area Protection Plan, Member may cancel within thirty (30) calendar days for a full refund. In the event Member cancels a multiple-payment plan after thirty (30) days, but during the payment period, the benefits of the Out of Area Protection Plan will no longer be available to Member and no refund of fees paid will be available. Fees paid for a multiple-payment Out of Area Protection Plan are not required to be deposited into trust. Cancellations must be made in writing to Global Medevac, which must be sent by (i) certified mail, return receipt requested, to the Administrative Office of Global Medevac; (ii) electronic mail, including delivery confirmation, to service@globalmedevac.com; or (iii) facsimile, including confirmation of delivery, to (512) 277-7561.
- 7. Rendering of Services.** Member shall not be entitled to any Services as provided herein if Member's account is not current at the time of death. In the event the account is current, but not paid in full at the time of death, any remaining balance(s) must be paid before Services will be rendered.
- 8. Entire Agreement.** Other than the terms specifically set forth herein and the Membership Application, the Out of Area Protection Plan shall constitute the entire agreement between the parties. Changes to the Out of Area Protection Plan can only be made by the mutual written consent of both parties. Member warrants that Member has read and fully understands this and all other documents related to the Out of Area Protection Plan and that no representations or warranties have been made other than those set forth therein. The Out of Area Protection Plan insures to the benefit of, and is binding upon the parties, their heirs, successors, assigns, executors, and administrators.
- 9. Severability.** If any term, provision, covenant or restriction of the Out of Area Protection Plan is determined by a government entity to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of the Out of Area Protection Plan will remain in full force and effect and will in no way be affected, impaired or invalidated.
- 10. Governing Law/Venue.** The Out of Area Protection Plan shall be construed in accordance with and governed by the laws of the State of Texas. Any legal action brought to enforce any provision of the Out of Area Protection Plan or related document shall be brought in Tarrant County, Texas.
- 11. Delayed Effective Date.** If the Out of Area Protection Plan is purchased by Member while Member is more than seventy-five (75) miles from Member's Original Residence, it shall not become effective until such time as Member has returned, while still living, to Member's Original Residence.
- 12. Change of Residence.** Member must request a Change of Residence by certified mail return receipt requested, confirmed email, or faxed notice with confirmation to provide proof of delivery notice to Global Medevac. "Change of Residence" means a formal request by Member to change the Member's Current Residence, and is subject to Global Medevac's approval. A Change of Residence must be received by Global Medevac prior to any incident that would trigger Global Medevac's obligation to render Service under the Out of Area Protection Plan. A Change of Residence will become effective at the time Global Medevac approves the Change of Residence and issues a written confirmation of the new Original Address.
- 13. General Information.** Member shall not be entitled to any benefits hereunder if Member's account is not current at the time of death. A personal identification card will be delivered to Member within thirty (30) days. If a personal identification card is not received, or there are other questions, please call 1-833-865-0127.
